

The **Clinique Champs Elysees Clinic (CCE)** is a liberal facility exclusively dedicated to Aesthetics. It is the largest Aesthetic establishment in Europe located a step from the Champs Elysées in Paris. Since 1947 we have been welcoming patients of all nationalities for Cosmetic Surgery Treatments, Aesthetic Medicine, Hair Surgery and Cosmetic Dermatology.

Procedures performed at the clinic:

-  Plastic and Cosmetic Surgery
-  Aesthetic Medicine
-  Hair Implants

The Cosmetic Surgery Department

-  Consultation platform with 12 offices
-  Surgical unit with 6 cosmetic surgery theatres and recovery room
-  30 units with 5 outpatient surgery wards
-  30 hospital rooms

The Aesthetic Medicine Department

-  Consultation platform consisting of 6 offices and 6 treatment areas
-  Laser ward consisting of 4 treatment areas and 10 lasers

Hair Implant Department

-  Consultation platform with 2 offices
-  Surgical unit with 3 theatres

The team consists of around ten surgeons, highly qualified nurses and one medical assistant that specialize in hair implants.

Using painless hair implant techniques procedures are performed under local anesthetic with very natural aesthetic results.

OTHER PROCEDURES

The clinic also offers other treatments in medicine and cosmetic surgery such as:

-  Breast surgery (breast implant, breast reconstruction)
-  Rhinoplasty (nose surgery)
-  Hair transplant
-  Liposuction
-  Face lift
-  Blepharoplasty
-  Tummy tuck
-  Etc.

The International Department:

To ensure that patients receive the best possible care, an International Unit has been set up to provide you with any information you require concerning your hospital stay. Multiple languages are spoken in this department where we welcome patients from around the world.
